

Nametags for ALL!

Through the Strategic Planning process, it came to our attention that nametags are needed for all ages and anyone who attends our church. A list is being created with the names of kids registered for Sunday School as well as anyone who attends services. A different picture was selected for the nametag as well as a decision to have only their first and last name initial. From the eighth grade up, the original nametag will be issued. If you would like a nametag (you do not need to be a member) or need a replacement, please contact Diana Marzinzik at dmarzinzik@comcast.net or Audrey in the Church office.

New Pictorial Directory!

It's that time again.....but this time it will be a little different! No sitting for a professional photographer.... no pressure to buy photos. We will be doing our own Church Directory starting in February with the assistance of Dennis Mathews, Diana Marzinzik, and other volunteers before and after church service. And even if you are not able to be present the days the photos are being taken, just forward a photo you would like used in the directory and we will make sure it is posted along with information about yourself.

Because we are creating our own directory, we will be able to update information in it, as needed. We will also be able to change the photos and link the directory to our website with a secured password to access anytime. There will be some copies printed for those who do not have access to a computer or you can print a copy off for yourself.

So, mark your calendars for February 21st, 28th and March 7th and plan to have your picture taken before or after service. Any questions? Please contact Diana Marzinzik at dmarzinzik@comcast.net or call 207-439-9968.
